A huge thank you and Happy Veterans Day to the millions of brave men and women who have served in uniform and defended our Country, putting their lives on the line to preserve our freedom and independence. You know better than anyone, that freedom is not free. And another huge thank you to all of our Homes For Our Troops supporters. Your efforts are transforming the lives of those Veterans who were severely injured serving in the Iraq and Afghanistan theaters of war by restoring some of the freedom and independence they sacrificed protecting our freedoms. Always remember, you do not need to wear a uniform to serve. Originally known as Armistice Day, Americans have celebrated Veterans Day since 1919. It is a day to pause, and give thanks to those individuals who raised their right hand, and worked nights, weekends, and holidays, often in dangerous situations, so those of us at home could enjoy our independence.
