

Genesis Joy House Homeless Shelter, Inc. is hosting a powerful immersive overnight experience at Memorial Park 800 South First Street, Warner Robins, GA 31093, on September 27, 2025 from 7 PM to 7 AM to raise awareness and support for veteran women and their children facing homelessness. This immersive experience invites participants to spend an evening outdoors, simulating the challenges faced by those without a home. Attendees are encouraged to bring sleeping bags or blankets and will receive bagged meals, participate in educational activities, and hear stories from individuals affected by homelessness. The event aims to raise awareness and funds to support Genesis Joy House's mission of providing transitional housing and resources for homeless female veterans. All proceeds from the event will go directly to our shelter's programs, helping to empower women to achieve self-sufficiency and stability.
